

MILLGATE FARMS

INVITATIONAL SALE

Wadsworth, Illinois, Monday, October 12, 1953

When should I buy Shorthorn females?

Where should I buy Shorthorn females?

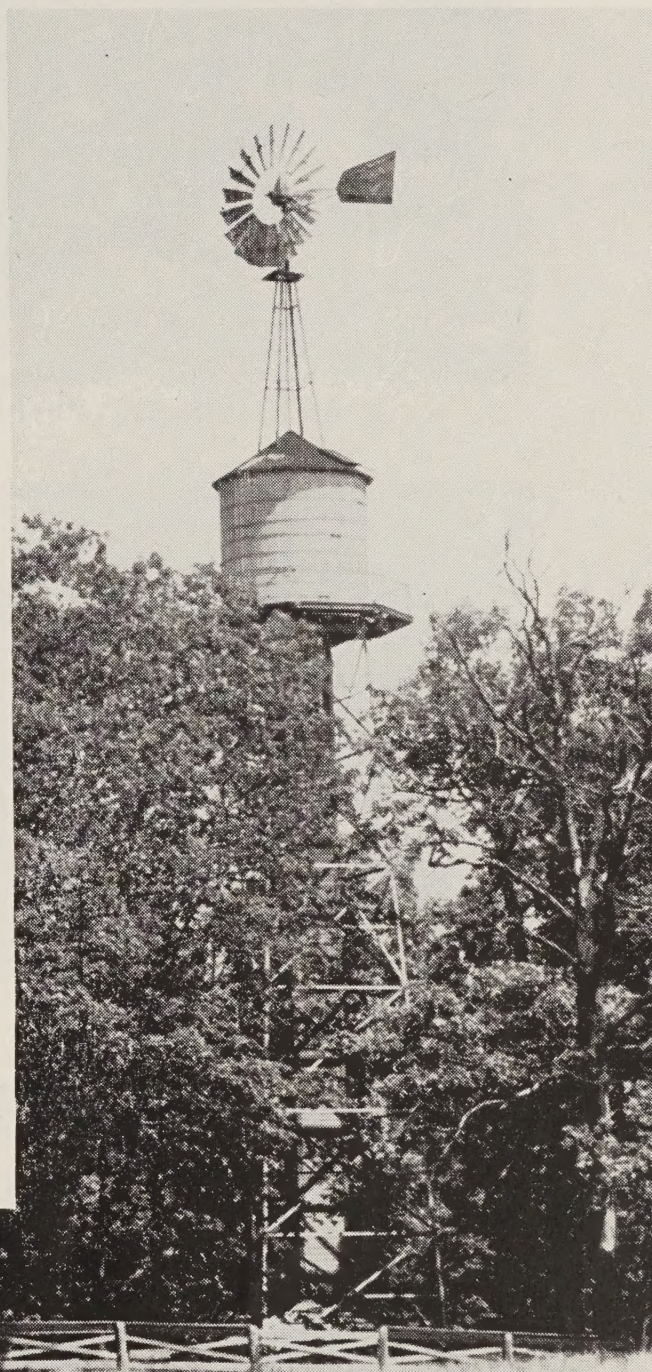

The answer to the first question is simple. When you are tired of producing late-maturing, slow-gaining calves that go to market lacking the 200 extra pounds that make the difference between profit and loss . . . when you want to start populating your farm with the easy-feeding, fast-gaining, greater weight-for-age kind of calves . . . then it's time for you to buy Shorthorn females.

Where should I buy? There are many sources of supply. Bear in mind, however, that it pays to buy the right kind backed by the right kind of ancestry. Bear in mind also that the pedigree is no stronger than the breeders whose names appear in it. And most important of all, buy from breeders who hold the respect of the entire industry.

The Shorthorns in this sale are guaranteed by the most trustworthy men in the business.

HAL LONGLEY

of The Shorthorn World.

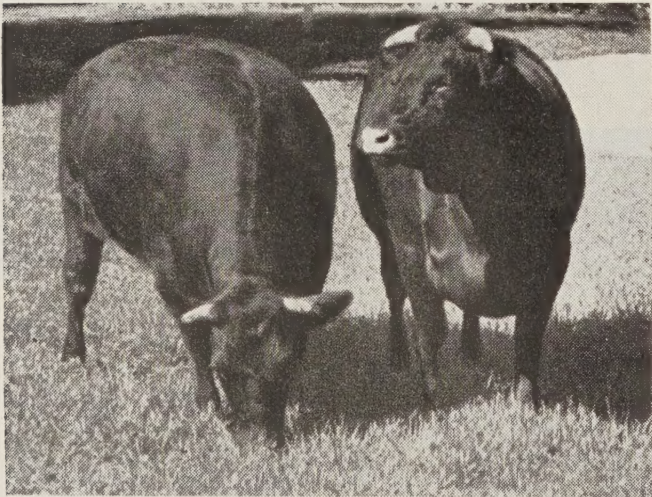

Females like these from four of the most widely and favorably known herds in North America will sell in this sale.

A lovely pastoral scene. With the beautiful Rock River in the background, a segment of the Shore Acres herd grazes peacefully in Arnold Bros. pasture at Sterling, Illinois. The dams of the thirteen Shore Acres heifers selling in this auction are in this group.

Welcome to Millgate Farms . . .

This will be the third Millgate Invitational Sale and the fifth auction held at Millgate Farms. It is a matter of great satisfaction to me that the cattle in all of these sales have been purchased by men from a wide area who know and appreciate good individuality and good breeding. Moreover, it is satisfying to learn from these customers that the cattle have done well.

Again I am proud to be associated with three fine neighbors in making this auction sale of Scotch Shorthorn cattle. Although we all maintain herds of liberal size, no member of this group can hold an individual annual sale with ease, therefore a joint event containing productions from each herd has proved an ideal plan. Most certainly the arrangement presents distinct advantages to buyers because all members of this group have agreed willingly to hold their top productions for this sale which is held annually.

The 43 females that are to be sold have been selected with utmost care. All are superior individuals, all are backed by exceptional bloodlines and we will again follow the policy of selling them with complete breeding guarantees regardless of the age at the time of sale.

We are very anxious to have you attend this sale. Millgate is only 50 miles from Chicago, hence train and air facilities are of the best. Northern Illinois is lovely in October. The days are cool and fine and the colors are beautiful and inspiring. Good roads and lovely scenery will make an automobile trip a real joy. You will be very welcome whether you buy or look. We are proud of the cattle in this sale and are certain they will be improvers wherever they go.

Sincerely yours,

GEORGE W. ROSSETTER,
Millgate Farms

Look carefully at this picture because calves like these will be dropped on your farm if you buy the service of Duncrahill Recommendation. Here are two of the oldest at Millgate Farms. Note that the bull is blocky with plenty of bone, well sprung ribs and a grand, masculine head. Note that the heifer calf has style, quality and character. A liberal number of the Millgate sale heifers will carry the service of Duncrahill Recommendation.

Liability—The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

The females in former Millgate Invitational sales have been bought by breeders who know and appreciate good breeding and good individuality. Those shown above were sold in the 1952 sale to buyers from Illinois, Wisconsin and Florida.

A word from the Sale Manager

There are no finer or more highly respected men in the Shorthorn cattle industry than George W. Rossetter, Arnold Bros., Stanley G. Harris and S. J. O'Bryan and there are no finer herds in America than those maintained by these men at Millgate Farms, Shore Acres Farm, Kickapoo Farms and Susanna Farms.

This is an unusual sale. Just at a time when richly bred heifers are being held closely by their owners, these four fine breeders have decided to make an "All-Female Sale." A total of 43 head are listed and they are excellent. All are by famous sires. Approximately half have been left open for the benefit of those who own outstanding herd bulls. The balance are bred or will sell with breeding privileges to such grand young sires as **Duncrahill Recommendation**, Millgate's son of Cruggleton Benthon, **Uppermill Annuity**, Shore Acres' son of Uppermill Metaphor, **Calrossie Highland Chieftain**, Kickapoo's son of Calrossie Highland Pride, and **Leveldale Custodian**, Susanna's \$19,000 son of Aldie Apex.

There are no overdrawn descriptions or statements in this catalog, since it is the wish of the owners that these cattle speak for themselves on sale day. Departing from the popular procedure of printing photos of individual animals, the owners have used only unretouched group pictures showing the animals in natural form. Those who study these pictures may expect to find all animals to be as good or better than portrayed in this catalog. All but one were bred by the consignors.

I do not believe any sale this season will offer more perfect young females for the foundation of new herds or for the rejuvenation of old herds. All are excellent in type and quality. All are backed by perfect pedigrees. And all are guaranteed by the most trustworthy men in the business. It's a sale that is easy to reach from any point in the country . . . and well worth reaching.

HAL LONGLEY
of The Shorthorn World.

Millgate Herd Bull Strength . . .

Duncrahill Recommendation

The calves by Imp. **Duncrahill Recommendation** are here and they are excellent. You can get an idea of the quality by looking at the snapshot photo on page 6 of this catalog. The bulls are masculine, heavy boned and display great depth and width. The females are full of quality and of most approved type. Many of the Millgate females in this sale are already settled to his service and others will sell with breeding privileges.

Duncrahill Recommendation is the newest addition to the Millgate herd bull battery. He is a son of Cruggleton Bentham, he a grandson of the noted Cruggleton Perfect. Cruggleton Bentham sired the reserve junior champion bull at the 1952 Perth Show and Sale. The dam of Duncrahill Recommendation is a daughter of Pittodrie Impression of the great Bapton Upright. Being a direct descendant of Cruggleton Perfect, Duncrahill Recommendation is bred similarly to the two new herd bulls at Edellyn Farms, Cruggleton Guthrie and Beaufort Bulldozer, both being grandsons of this noted sire.

Duncrahill Recommendation follows a long line of famous sires at Millgate Farms many of which are pictured on the opposite page.

(Left) Edellyn Royal Leader 8th, one of the senior stock bulls at Millgate Farms. Sire, Edellyn Royal Leader. Dam, by Brawith Count. This sale will contain three of his daughters.

(Right) Edellyn Royal Leader 43d, another of the senior stock bulls at Millgate Farms. Sire, Edellyn Royal Leader. Dam, by Calrossie Mercury. Seven daughters and four granddaughters will sell.

Millgate Celtic, a great son of Imp. Glastullich Celtic, is being used with success at Millgate Farms. Ten very choice daughters will sell. He sired the top selling female in our sale a year ago at \$2,200.

Millgate Illini. We are proud of this son of Edellyn Royal Leader 43d that has made such an enviable record in the herd of Jones Bros., Culleoka, Tennessee. Before selling, we used him liberally. Four choice daughters are listed in this sale.

THE MILLGATE CONSIGNMENT

Things to remember . . .

This is an All-Female sale

All but one heifer was bred by the seller.

Many of the heifers have been left open for the benefit of buyers who own good sires.

Service dates on bred heifers will be announced on sale day.

Note the large number of heifers out of imported dams.

Ask any of those who have bought cattle in the previous sales at Millgate Farms and they will tell you that they got a lot for their money. This is one of the best sales of each year for those who seek Shorthorns of the right type, quality and ancestry. Hope you will be with us on October 12th.

Shore Acres Herd Bull Strength...

Right—Edellyn Reliant Mercury, \$7,500 son of the Perth champion, Calrossie Mercury that has proved such an excellent sire at Shore Acres Farm.

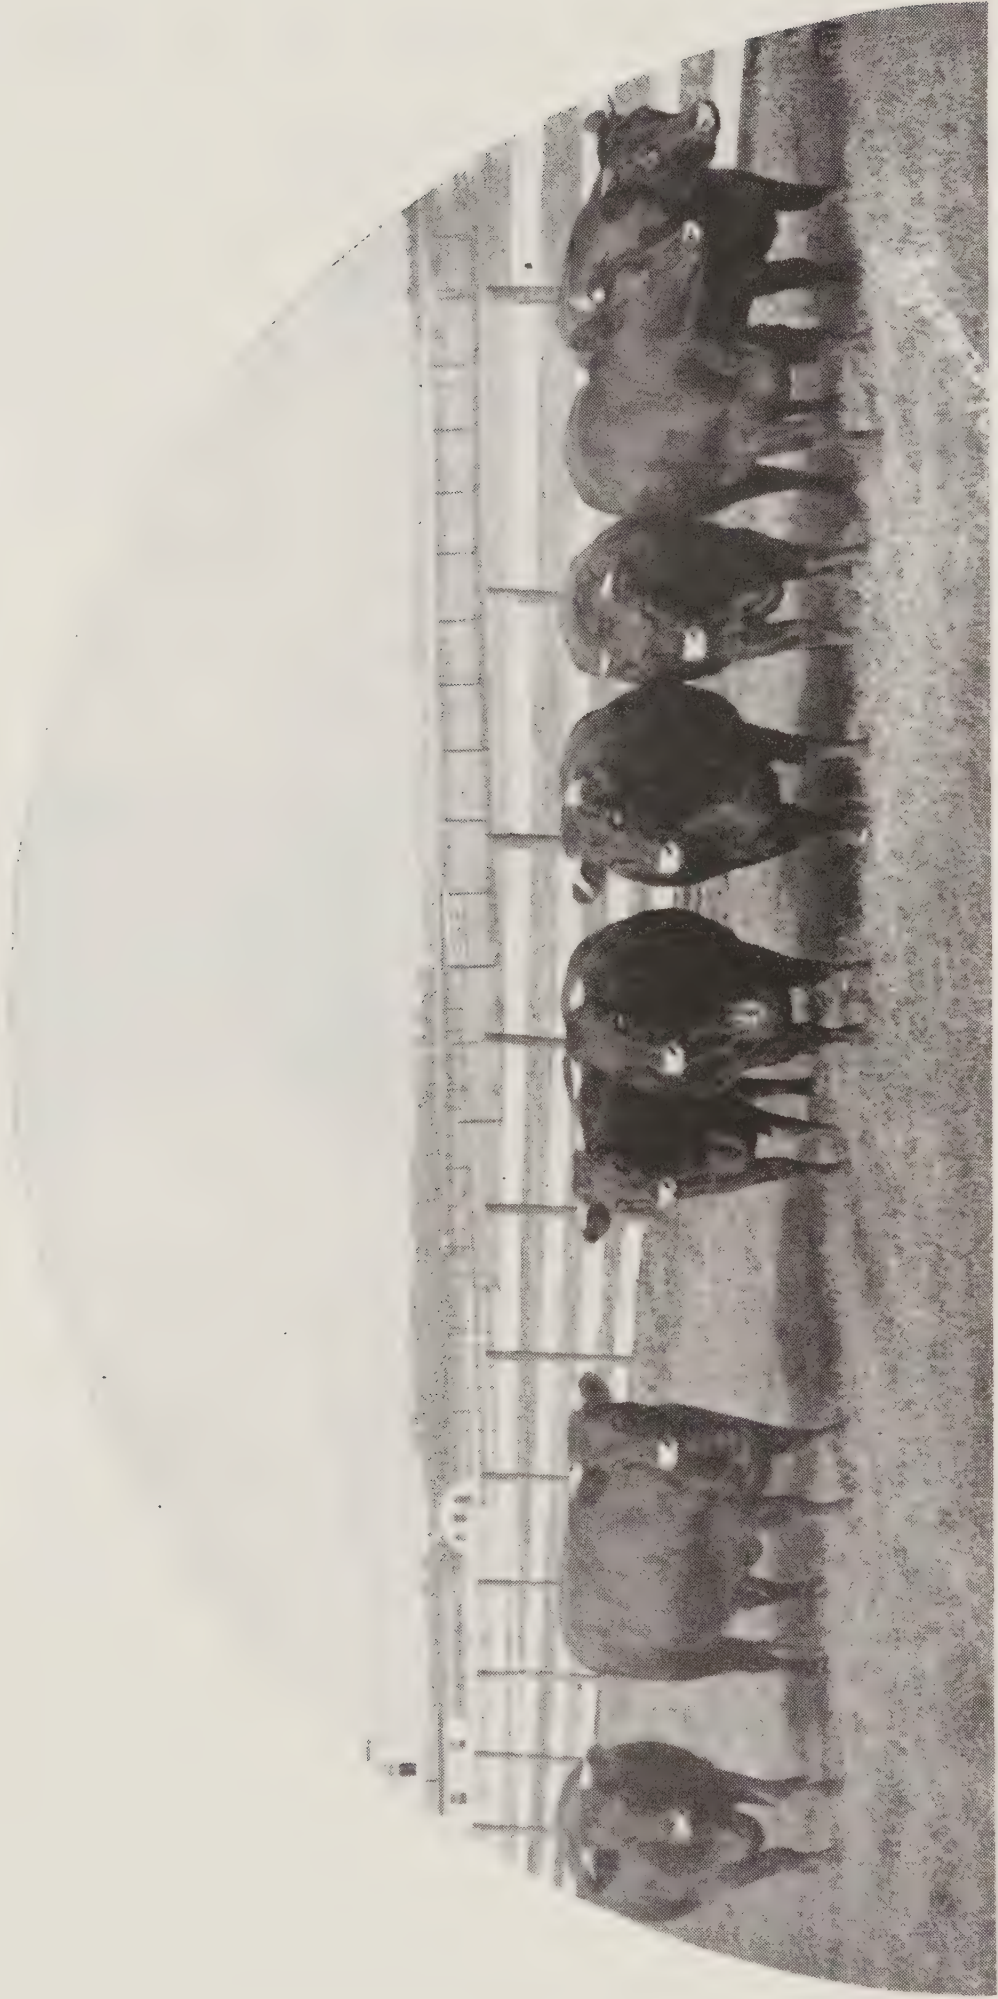

Left—Shore Acres King Achtoi, another of the great herd bulls at Shore Acres Farm. He was the reserve grand champion bull at the 1949 Illinois State Fair. He is out of the same great imported cow that produced another famous Shore Acres herd bull, Shore Acres Landmark.

No picture is available of our new imported herd bull **Uppermill Annuity**. He was purchased in Scotland by Les Mathers and arrived at Shore Acres Farm in May and was placed in service immediately. Many of the heifers we offer in this sale will carry his service. Uppermill Annuity is a son of Uppermill Metaphor and is out of a great cow sired by Aldie Conqueror. He is a full brother to Uppermill Austin, purchased by Nathaniel Holmes of Virginia at 3,000 guineas, top price of the 1953 Uppermill sale. He is also a full brother to Uppermill Abergeldie that sold for 50,000 Argentine dollars in 1950. He follows a long line of great sires at Shore Acres Farm and is certain to be a great breed improver.

There are 43 females in this sale, all young and all beautiful individuals. With the exception of one, all were produced on the farms of the breeders selling them. All are by famous sires, all are out of excellent cows. This is a sale for those who know and appreciate good pedigrees and correct beef cattle form.

A SAFE PLACE TO BUY

Because of the great sires in service, the grand cow herds and the annual production of breed improving calves, the area served by the Millgate Invitational Sale is frequently referred to as the "Aberdeenshire of America." To visit these herds is a treat every good breeder owes to himself. Since this sale is to be held on a Monday, all visitors are urged to come early for a week-end tour of the herds. Such an inspection cannot fail to impress you with the improving value of the forty-three animals in this sale.

The Shore Acres kind. These were sold in our joint sale with Mathers Bros. in 1948. All were purchased by discriminating breeders and have made splendid records in the herds of their owners.

These good breeders from 14 states have purchased cattle in the four previous auction sales at Millgate Farms.

Duchess of Gloster E 4th—Here is a member of the famous Tana Duchess of Gloster family and she is line-bred in the blood of the great Shore Acres Achtoi. She sells open.

***Note that the thirteen Shore Acres heifers
in this sale are nearly all out of imported
cows or daughters of imported cows.***

I am proud to be charged with the management of this important sale because I recognize in the four owners a group of men who are imbued with the single purpose of building a greater breed. Most certainly a study of the cattle to be offered will provide proof that they have accomplished this purpose.

HAL LONGLEY
of The Shorthorn World.

Kickapoo Herd Bull Strength . . .

(Right) Imp. Cruggleton Johnston, senior herd bull at Kickapoo Farms. The calves by this famous son of Ascreavie Duthie have found great favor everywhere. Three of his daughters will sell in this sale.

These four calves sired by Imp. Cruggleton Johnston stood third in a strong class of 23 gets-of-sire at the 1950 International. They were bred and exhibited by Kickapoo Farms owned by Stanley G. Harris.

(Left) Here's a snapshot photo of Calrossie Highland Chieftain, recently imported from Scotland for service in the Kickapoo herd. He was bred by Capt. John MacGillivray and is a son of Calrossie Highland Pride whose eight bull calves in the 1953 Perth sale realized a total of 7,900 gns. (\$22,305). Calrossie Highland Chieftain, backed by the most famous blood of Scotland, is certain to make a great record at Kickapoo Farms. Shown with the bull are Raymon Duer, manager of Kickapoo Farms, Capt. John MacGillivray, and Donald MacGillivray.

Susanna Farms

Herd Bull Strength . . .

Leveldale Custodian, junior herd bull at Susanna Farm. He was the unanimous pick of all judges as the most perfect individual at 1952 shows. His sire, Aldie Apex by Chapelon Baronet, was great in the show ring and is proving equally great as a sire in the herd at Bilmar Farms, Grand Blanc, Michigan. His dam, Leveldale Crocus, was one of the greatest females the breed has ever known. Leveldale Custodian was purchased at a cost of \$19,000 and is certain to prove a wonderful stock bull at Susanna Farms.

(Left) Imp. Glastullich Spearhead, senior stock bull at Susanna Farms. His sire was the 1947 Perth champion Glastullich Fortress. His dam was a daughter of Harviestoun Golden Glory. Two daughters of this famous sire are offered in this sale.

These two pictures are indicative of the type and quality of Susanna productions. Three choice heifers from Susanna are listed in this sale.

(Above) Susanna Miss Ramsden was purchased by Edwin B. Mead, Mt. Dora, Florida, at \$1,050 in the 1952 Millgate Invitational Sale.

(Left) Susanna Pauline 4th was purchased by David S. Graham, South Solon, Ohio, at \$1,025 in the 1952 Millgate Invitational Sale.
